Recent Car Show/Cruises Attended

Saturday, June 8, was a busy day for club members. Three shows of interest were being held the same day, There was a Corvette Show at Register Chevrolet in Thompsontown, a car display at the Community Days in Reedsville, and the H.O.P.E car show in Centre Hall. All-American Cruiser vehicles could be seen at all three locations.

Register's Perry County Corvette Club is but one nationally sanctioned/judged show for Corvettes only. A total of 55 cars, ranging in age from the 50's to present, were on display and entered in the competition. Only two Corvettes were registered from our club and both took 1st place in their respective C2 Divisions. Congratulations extended to Don and Sally Roberts and Al Coudriet on their wins.

Once again the All-American Cruizers were asked to display vehicles at the annual Reedsville Community Days. A total of 10 cars were driven to the event and 14 members were present. Those present had a good time socializing, taking in the flea markets, and of course eating the variety of good food available for sale. Unfortunately no pictures were submitted for inclusion in this edition of the newsletter.

Mid-State Mopar Club holds a car show each year at the American Legion in Centre Hall which benefits the H.O.P.E Foundation. The All-American Cruizer Car Club was represented with a total of five vehicles on display. Winners from our club included Dale Gantt (Best Mopar), Seth Lewis, and Frank Terry. Congratulations to each of you winners.

Once again, members (14 total) of the All-American Cruizer Car Club were kind enough to give of their time on Father's Day, June 16, to display their vehicles at the Locust Grove Retirement Village in Mifflin. Even though "Mother Nature" was threatening rain, a total of 37 cars and trucks were driven to the facility, 12 of which were All-American Cruizers. As in past years, residents enjoyed viewing the antique, classic, and newer vehicles on display and voted for their favorites. Trophies were awarded to Don VanHorn (3rd), Ralph Fry (1st), and Sheldon Romig (Best of Show). In addition, Ralph Fry was lucky enough to win a basket of goodies during the Chinese auction. .

The club also thanks all who contributed canned goods and other non-perishable items at the Locust Grove event. Don dropped off the boxes and bags of food (44 pounds) for distribution by the Juniata County Food Bank. They were very thankful for the donation as the shelves get quite empty during the summer months.

Don Roberts, Vice-President

PLEASE be reminded that the All-American Cruizers collect canned goods and other non-perishable items at the Wings & Wheels Event (July 13), the Juniata Junction cruise-ins (July 21 & September 15), the Sticky Bun Café cruises (July 27 & September 21), and the AAC cruise-in/summer picnic (September 8). Your contributions, even if only one can, would be greatly appreciated. THANKS, in advance, for your cooperation.

The American Legion in McClure was the sight of a car show on June 29. A total of 96 vehicles were registered, 24 of which were All-American Cruiser cars and trucks.
