# FOR YOUR INFORMATION

## Recent Car Show/Cruises Attended

Saturday, July 13 started out as an overcast and misty morning with some light drizzle, but the sun broke through later and it turned out to be a nice day weather-wise, and an enjoyable time for most persons in attendance. It was the day of the annual Wings & Wheels Community Event, held at the Mifflin County Airport in Reedsville, and co-hosted by the All-American Cruizers Car Club.

Our club was responsible for the registration of some 33 cars and trucks, 10 jeeps, and a single motorcycle, the owner of which was a member of the AAC. Several aircraft flew in for the breakfast, but did not register. 23 vehicles were displayed by All-American Cruizers, and another nine members showed up to support the club. A total of \$220.00 was earned through the registration process.

The All-American Cruizers Car Club was also charged with the responsibility of organizing and soliciting items for the Chinese auction, selling the tickets, coordinating the drawing of winners, and finally the distribution of prizes. Thanks to all who helped! In addition to the registration money collected, the auction raised over 400 additional dollars. The officers want to acknowledge and thank all the Chinese auction contributors, whether they were individuals or businesses. Without their kindness and generosity the auction would not have been such a success, so THANK YOU! A letter of gratitude is being written for submission to the Lewistown Sentinel. Please look for it!

Members at the Wings & Wheels Event even had an opportunity to sit, relax, socialize and of course, eat.

A cruise-in was held at Juniata Junction on July 21. It was the second of three held at the restaurant located off the Port Royal Exit of 322 at the blinking light. The cruise-in was our best attended to date. A total of 37 vehicles were registered, along with 9 other cars, trucks, and motorcycles which were present but were not signed in.

The Sticky Bun Café was the site of a cruise-in on Saturday, July 27. Even though the weather was overcast with drizzle and an occasional rain shower, the turnout was good. A total of 19 Cruizers' vehicles were driven and a total of 26 members were present.

## **Donations Collected**

Several boxes of canned goods and other non-perishable items were collected at the annual Wings & Wheels Event at the Mifflin County Airport. That food was bound for Mother Hubbard's Cupboard for distribution in the Lewistown area. Additionally, \$34.00 in cash was collected and will be put into an account along with other fund raising money. Checks will eventually be written to the food banks in Mifflin and Juniata Counties after the cruising season ends and closer to the holidays.

Those All-American Cruiser members, along with several others, who attended the Juniata Junction cruise, are extended our sincere appreciation. Your kindness and generosity far exceeded our expectations. The collection of canned goods and other items that you donated totaled 122 pounds, our largest collection yet. Your many, and much needed, contributions were turned into the Juniata County Food Bank by Don and Sally Roberts, who accepted the "thanks for the club."

Thanks to all club members who donated either food or contributed cash at the Sticky Bun Café cruise-in. The canned goods and other food products were much appreciated, not to mention needed by individuals and families in the Mifflin County area. So, the items collected will be given to Mother Hubbard's Cupboard for distribution.

**MORE DONATIONS NEEDED!** PLEASE be reminded that we, the All-American Cruizers Car Club, always collect canned goods and other non-perishable items at the various events we sponsor. Future collection events and dates include the Victory Auto cruise-in (August 16), the AAC cruise-in/fall picnic (September 8), the third Juniata Junction cruise-in (September 15), and the second Sticky Bun Café cruise (September 21). Your contributions, even if only one can, would make a difference and would be greatly appreciated. Those who don't wish to contribute food items may donate money in the collection box, and that money will be added to any funds raised and checks written to the Juniata County Food Pantry and Mother Hubbard's Cupboard. THANKS, in advance, for your donations of food and/or money.

## **New Members**

Let's welcome our newest proposed members. They include Mike Worthy and Craig Raybuck. Mike drives the Shelby Mustang pictured below and Craig has a 1965 Midget MG. If you see either Mike or Craig, please make them welcome by saying hello and introducing yourself.

## **Website Update**

Members have been questioning the status of our outdated website. Planned changes to the club's website are in the making. Links will be revised to include the Home Page with the music, History of the Club, Club Sponsorship, Executive Board including names and pictures, Past and current issues of the Cruise News, a Calendar of Events, a Member's Rides section depicting car pictures, Memory Lane/Event Photos by year, a Membership Application, a Contact Us page, and Cool Links. Hopefully the updates will be completed in the very near future.

Note also that plans are in the making for our club to be included on Facebook.

## **Cruise-in & Fall Picnic Planned**

September 8 is the date of the All-American Cruizers Car Club cruise-in/summer picnic scheduled at Kish Park in Burnham. The time of the picnic is from 1:00 p.m. until 5:00 p.m., with food being served at approximately 1:30. The club will be providing various meats including pulled pork, hot dogs, and possibly chicken. Just as at the winter picnic, please bring a covered, side dish to share. It is also requested that members who plan on attending contact Don Roberts by email ([dasrob@embarqmail.com](mailto:dasrob@embarqmail.com)) or Andrea by telephone (717-248-2946) so that we can get a somewhat accurate count of attendees.
