## FOR YOUR INFORMATION

### Recent Car Show/Cruises Attended

#### DUTCH COUNTRY INN CRUISE-IN

September 7 was the date of our first ever cruise-in at the Dutch Country Inn located in Reedsville. It was a very nice, sunny evening and the turn out was better than expected especially since there was another cruise-in at another local establishment. A total of 26 members showed up, displayed their vehicles, “socialized,” and enjoyed the food inside.

On that same Saturday evening several All-American Cruizers' vehicles were spotted at the cruise-in held at the lot adjacent to Tractor Supply in Lewistown. The turn out was great because there was a special cause – an auction to collect money to help young Eva pay for cancer treatments and her parents with their financial responsibilities.

### FIRST ANNUAL AAC FALL PICNIC/CRUISE-IN

Sunday, September 8 turned out to be a beautiful day to have our first annual outdoor picnic in Kish Park in Burnham. We had a great turnout with approximately one-half of all club members and their families present. The afternoon gave attendees an opportunity to meet and greet some new members and socialize with the others, not to mention eat a lot of delicious food. Several Cruizers, who made at least a dozen of the club-hosted car events, were presented awards by our secretary Andrea McCardle. Additionally, a raffle was held amongst members to generate some funds for the operation of the club.

### JUNIATA JUNCTION RESTAURANT

September 15 was the third and final cruise-in for the year at Juniata Junction Restaurant. It was a nice day and the turnout reflected that. A total of 33 cars were on display for the “restaurant-goers” and “flea-marketers” to view.

### STICKY BUN CAFE

Unfortunately the September 21 cruise-in at the Sticky Bun Café was a “rain out.”

## **Contributions Made**

The All-American Cruizers Car Club is proud to announce that it once again made a contribution to a local charitable organization. Several boxes of canned goods and other non-perishable items were donated to the Juniata County Food Pantry in Mifflintown. Thanks to all members who contributed at the Juniata Junction cruise-in. Without your generosity the club would not be able to help the needy families in our area. Pictured below with Kathy Queitzsch, director of the food pantry is Vice-President Don Roberts and Chaplain Brent Miller.

The All-American Cruizers, along with the Keystone Muscle Car Group, have been collecting money for “Little Eva,” to help financially with her cancer treatments and other expenses. Presenting a check to her mother, in the picture above, are Tim Drake and Ron Wagner. The club will continue to collect donations and will be providing additional funds to her family in the future.

## **Website and Facebook Update**

If you are not aware of it yet, our car club now has a page on Facebook which can be viewed by signing onto Facebook and searching for our link, All-American Cruizers Inc. There you will find a wide variety of pictures in the various photo albums as well as messages that are of importance to our members. If you enjoy what you view, **please** take the necessary time to “**LIKE US,**” and feel free to post your thoughts and/or make comments.

We have re-titled the links on our web page ([www.all-americancruizersinc.com](http://www.all-americancruizersinc.com)) and are making a concerted effort to upload the many, many pictures of events in the Memory Lane/Event Photos section of the site. You will notice that the pictures are categorized by year and event name, which is another improvement. We are also attempting to incorporate some other unique features including music, so turn on your volume. On the Home Page you will hear our featured selection by the Beach Boys, Our Car Club. There is also a link on each of the pages that you will be able to “click on” and listen to various other oldies, car music. It is recommended, that temporarily, you click on the oldies music on one of the pages, other than the Home Page (ex. History Page, Photos Page, etc.) Please be patient while all the changes and updates are being made. You will be pleased!

### **New Members**

We want to introduce you to our newest, honorary All-American Cruiser. His name is Kenneth Griffith and lives with his wife and three children in Beaver Springs. Ken owns the 1988 Pontiac Fiero GT pictured below. If you see Ken at any future events, please say hello and welcome him to our car club family.
