## **CAR SHOWS & CRUISE-INS ATTENDED**

August 2 was the date of the 19<sup>th</sup> Annual Fayette Carnival Car Show in McAlisterville. Several Cruizers members were instrumental in helping make this car show a success. Thanks to all those who helped in any way. 113 total vehicles were registered that day despite the forecast for rain and thunderstorms. Club members entered 31 cars and trucks to be voted upon, winning a total of 17 top 28 trophies and 2 of 3 dealer choice trophies. Congratulations to all winners.

August 5 was the scheduled National Night Out in Lewistown. As usual, the All-American Cruizers Car Club was represented. Thanks to all those in attendance.

Victory Auto held its 2<sup>nd</sup> annual cruise-in hosting/featuring the All-American Cruizers Car Club. It was an extremely nice night with approximately 60 vehicles registered, 32 of which were club cars and trucks. Several trophies and awards were won by club members including Marc Miller and Dale Gantt. Congratulations.

United Fire & Rescue held their 2<sup>nd</sup> annual Car Show in Kish Park on Sunday, August 10. A total of 58 cars and trucks were registered, 29 (exactly ½) were vehicles owned by car club members. Weather-wise, it was a beautiful day – that is, if you were able to avoid

the many, many bugs without a spray. It was, however, a disappointing show in the minds of several because of a lack of organization, extended registration, confusion regarding voting procedures, etc. Yet, a total of 12 Top 25 trophies were won by Cruizers. Jim Fohringer (a perspective member) took “Best of Show” with his recently restored 1968 Camaro RS. Congratulations to one and all.

Numerous car shows were scheduled on this particular Saturday, one at Ard's Farm Market in Lewisburg, one in Millheim, and another in Selingsgrove. Another, the Middleburg show was cancelled, without much notice, even though several members chose to drive there to check it out. Several other members opted to display their vehicles (11 total cars and trucks) at the Habitat for Humanities Charity Event at Kish Park on August 16. Our club was featured and the car display was to only go from 10:00 – 2:00 but several stayed until the end at 10:00 enjoying the good food, entertainment, free ice cream, and Chinese/silent auctions. Thanks to all who attended and help make the event a success. Hopefully more will decide to attend next year if it is again scheduled.

Another rainy day at the cruise-in scheduled for the Sticky Bun Café in Burnham on August 23 (the second time this year it rained at that site). Despite the weather, about a dozen cars stopped in, some staying longer than others to enjoy the food in the restaurant and socialize. Hopefully, any future cruise-ins here will be accompanied by better weather and better attendance.

Saturday, August 30 was the date of Burnham's annual Community Day. Once again, the All-American Cruizers Car Club was asked to host a cruise-in as part of the day's festivities. It was a great day, in part, to those of us who showed up at the Heller Hoenstine Funeral Home to display our vehicles. A total of 22 vehicles cruised in.

#### **DONATION MADE**

ictured below are club Trustee John Vasger and Secretary Todd Fisher, along with several volunteers of Mother Hubbard's Cupboard. Our club's most recent donation to the local food bank came from collections at Harshbarger's and the Sticky Bun Café. Thanks to all you Cruizers who donated canned goods and other non-perishable items at either or both locations. Your generosity was greatly appreciated by the recipients.

### **NEW CLUB MEMBERS**

Two new “social members” have joined the All-American Cruizers, Fayne Briner and Darlene Fultz. Both ladies have previously attended club events as guests. Fayne resides in Newport and Darlene in Lewistown. If you see them, please welcome them to our car club family.

Jim Fohninger completed an application at the United Fire & Rescue car show in Kish Park and Tom McFiren decided to join at the Williams Grove show. Both will formally become members at the September meeting. Jim lives in Granville and owns numerous vehicles including the 1968 Chevy Camaro pictured on the next page. Tom will be our most distant member, residing in Mechanicsburg, and drives several Willys including the

## **FINAL NOTE OF INTEREST**

Our 2<sup>nd</sup> annual outdoor, club picnic is scheduled for Saturday, September 20 in Kish Park, at the largest “green pavilion” closest to the rest rooms. It should accommodate our size group no matter what the weather conditions outside, so please plan on attending. The club, as in the past, will supply a variety of meats, chips, place settings, and coffee. You are requested to bring a covered dish to share with the entire group as well as drinks for you and your family. Our car club will be conducting a 50-50 as well as raffle table. We hope to have a wide assortment of prizes which could be won. If you would like to donate anything for the table, please bring it with you to the picnic. Thanks, in advance, for any contributions.
