FOR YOUR INFORMATION

CAR SHOWS ATTENDED

Saturday, May 10 was the annual Riverfront Car Show in Millerstown. A total of 122 vehicles were registered, 16 of which were Cruizers' cars and trucks. The weather cooperated nicely in the a.m. hours, but prior to the end of the show, at approximately 2:00 p.m., there was a torrential downpour accompanied by very strong wind gusts. Despite that fact, it was a successful show for many car club members. The following members, and one new applicant, took home one or more trophies: Bob Boyer, Lee Campbell, Tim Drake, Todd Eshelman, Todd Fisher, Dale Gantt, Marlin Milliken, Don/Sally Roberts, Rick Sweigart, Don VanHorn, Shelby Wagner, and Mike Worthy. Additionally, the All-American Cruizers were presented the club participation award. Thanks to all who attended.

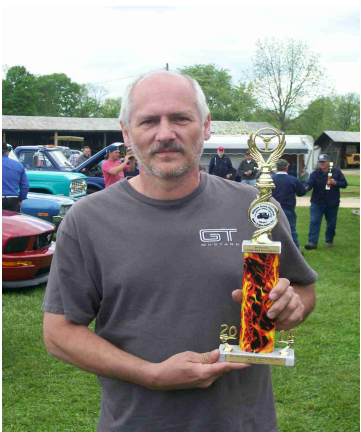

The weather cooperated this time as the May 4, now May 18, Thompsontown car show went as scheduled. It was reported that sixteen Cruizers' cars and trucks were entered in field of nearly 100 registered vehicles. Proud trophy winners were Marlon Bonson, Bob Bracken, Al Coudriet, Tim Drake, Butch Eagler, Todd/Mindy Fisher, Ken Fleming, Dale Gantt, Will Hess, Marlin Milliken, Sheldon Romig, and Paul Slingland. Two club members earned "Dealer Choice Best of Show" trophies: Will Hess with his '56 Ford Thunderbird and Marlin Milliken with his '54 Chevrolet Sedan. Congratulations to all the winners.

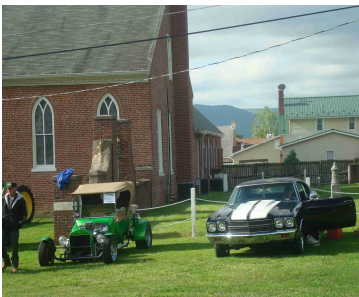

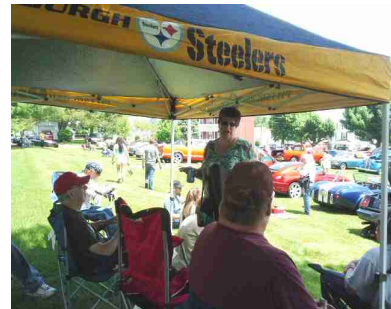

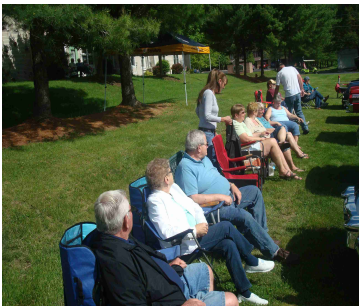

Another show was held same day as Thompsonstown, May 18, at Williams Grove. A total of 145 vehicles were registered, seven of which were owned by club members. Trophy winners included Bob Boyer, Lee Campbell, Todd Eshelman, Marlin "Tank" Messimer, John Swartz, and Don VanHorn. Congratulations to all these winners.

Saturday, May 24 was the date of Country Memory Days in McVeytown. It turned out to be a beautiful day with 23 vehicles owned by All-American Cruizers registered and other members visiting from time to time. No trophies were awarded, but registrants received dash plaques and several club members were lucky and took home some door prizes.

NEW CLUB MEMBERS & NEW VEHICLE ACQUISITIONS

The club has a new member in the name of Todd Eshelman, the proud owner of the 1955 Chevy Nomad pictured on the next page. If you see Todd at cruise-ins or car shows, please make him welcome by saying hello and introducing yourself.

Craig Rabuck has recently acquired ownership of his late grandmother's Ford Fairlane, a 1957 (being Craig's birth year and the current age of the vehicle). Not a new addition, but new to the car show scene, Will Hess has his 1956 Ford Thunderbird on the road.

COMMENTARY

Please be informed that we currently have 117 dues paying men and woman on the membership list of the All-American Cruizers Car Club, and all are great people who have a genuine interest in vehicles of all kinds. In addition, each and every Cruizers member's car or truck is quite unique/beautiful in its own way and worthy to be displayed.

I/we want to take this time to apologize to individuals personally if your name and/or picture is not included in the various editions of the Cruise News, our club's newsletter. We also have numerous vehicles which have yet to be photographed for the club's Facebook Page ("Cruizers Vehicles" Album) and the on our Webpage (Members/Friends Rides Link). It's not that I/we don't wish to, or forgot to, print them, but it is a fact that I/we don't know each and every member. Therefore if your vehicle's photo does not appear, please feel free to submit a description (i.e., year, make and model), attach a picture, and email to dasrob@embarqmail.com and I/we will see what can be done.

It is unfortunate that many members choose not to get more involved, whether it be at cruise-ins, car shows, picnics, meetings, etc. We would, obviously, like to get all members actively participating in the activities; so, if you can make it to any of the events, please do so. It is also recommended that attendees contact one or more of the officers at events and introduce yourselves, so that your presence is known and pictures of you and/or your vehicle can be taken.

I/we also need write-ups and photos of you and your car for the "Cruizers Profiles" link on the web. To date, we only have profiles of past and present officers, but want to include the general membership as well. If you feel so inclined to write a profile of yourself for editing, please do so. If you would prefer a draft be written for you, just provide me with the necessary background information (refer to those on the club's webpage as a reference). We hope to download one or two monthly.

Finally, it is noteworthy that the monthly meetings held at Vince's Pizza and Restaurant, and last approximately 30 to 45 minutes, draw between twenty and thirty members who make comments, discuss issues/new business, and make club decisions. If you have any concerns and/or wish to provide input, your attendance would be welcomed.

Hope to see or hear from you soon,

Don
