THE INDOOR PICNIC: A RECAP

The All-American Cruizers Car Club, had to reschedule it due to the weather, but still hosted its second annual indoor picnic on Saturday, March 7 in the Auxiliary Building of the Decatur Fire Hall. The club supplied the place settings and a variety of meats, chips, and drinks. Members in attendance each supplied a covered dish for all to share. As usual at such an event, there was an over-abundance of hot and cold food, including many delicious desserts. Truly, a wide variety of dishes to please any palate was made available.

Thanks to all who contributed in one way or another (food, raffle table items, ticket purchases, set up, clean up), and a special thank you is extended to our club's "Chief Chef," Bob Boyer, and his extremely helpful kitchen assistant Helen Kirk.

The environment in the auxiliary building of the fire company was quite adequate for our needs. The 63 persons in attendance had a great time eating and spending some time greeting new members and socializing with old friends.

A 50-50 drawing was held, the club sharing \$160 with the lucky winner, Chris English. Additionally, there was a raffle for a wide variety of items that were contributed by individual members earning the club \$290. As ticket numbers were drawn and winners took to the table, we were able to familiarize ourselves with members, matching names with faces. Congratulations are extended to the three winners of grand prizes, again Chris English, Rod Fultz Sr., and Don VanHorn. Finally, thanks to Andrea McCardle for calling the numbers for each of the drawing events.

1st FUND RAISING EVENT OF 2015

The two locations of Harshbarger's Subs & Malts, in Mifflintown and McVeytown were the sites of our club's first fund raising event for 2015. The owners of Harshbarger's, sometimes referred to as "Help Me Rhonda's," were quite generous in providing the club with 25% of each check turned in by members and friends (along with the appropriate card). A total of \$198.16 was earned, \$183.16 at the restaurant in Mifflintown and \$15.00 at the other McVeytown eatery. We would have hoped for a better turnout from the members in the Lewistown area, but ...? A heartfelt thank you to each of you who did support our club and the local food banks by participating. Additionally, special thanks are extended to Rhonda and the staffs at both Harshbarger's locations for the good service and their generous contribution to our club and the community.

HOSS'S FUND RAISING EVENT

Sunday, March 22 was our club's spring fund raising event held at the Hoss's Steak and Seafood Restaurant in Lewistown. Club members were requested to visit the restaurant any time during the day and present their server with our club's membership number upon completing their meals. In doing so, our club earned a percentage of the total bill. The total amount earned was \$198.61. Thanks to all who participated in this very worthwhile event.
