CRUIZE NEWS

Just as during the past eight years, both electronic and printed versions will be made available to club members and friends. Hopefully you enjoy receiving a copy, browsing the pictures, and reading the text as much as Sally and I enjoy preparing it for you. If you have any comments or suggestions to improve the newsletter, or have pictures for inclusion, please feel free to forward them to us at dasrob@embarqmail.com. From us to you, have a safe, healthy, and enjoyable year.

CLUB DUES AND MEMBERSHIP

Club membership runs concurrently with the calendar year. Therefore, dues for the 2020 year are currently being accepted and will continue to be accepted until the end of the year. At that point, dues will begin being collected for the entire 2021 year. Please note that the fees remain unchanged since the club was founded in 2002, and are extremely reasonable: so, there is no reason not to join or renew. The costs are as follow:

New, full membership is \$25 (First year dues include a club T-shirt & AAC dash card)

Membership renewal is \$10 per year

New, social member, i.e., spouse or no car, is \$20 (First year dues include a club T-shirt)

Social membership renewal is \$5 per year

New, junior membership is \$20 (First year dues include a club T-shirt)

Junior membership renewal is \$5 per year

Reinstatement after two years (\$25 full or \$20 Social/Jr.) does not include a T-shirt and other benefits

Payment of dues will be accepted at the monthly meetings, and at most of the cruise-ins and car shows, or they may be mailed directly to the club Treasurer Brent Miller at his home address – 117 North 3rd Street, Mifflintown, PA. 17059.

FUND RAISING EVENT

If you recall, our club held a fund raising event at Hoss's Steak & Seafood Restaurant in Lewistown the day before the quarantine period was enacted way back in the beginning of March. And, due to the much anticipated Coronavirus (Covid-19) epidemic, many Cruizers and friends, who normally attend this fundraiser, opted to stay home. Several club members and guests did, however, take time out of their day to support the club by getting together in the afternoon for a meal and socialization. The club did not hear one word from them, despite numerous calls being made from Don to learn about any amount earned. We are pleased to announce that, indeed, the club met the minimum requirement of \$300 that day and that Brent received a check in the amount of \$105.32. Thanks, therefore, are extended to all fellow Cruizers and friends who supported the club that day and help raise money for our charitable fund. The following are photos from that day.

JUST A WORD

Sally and I hope this newsletter finds you healthy and being safe during this mandated quarantine period, whether you are still in the so-named Red Region, in the somewhat less restricted Yellow Region, or even the newly opened Green Region. No one knows exactly when this darn quarantine will be lifted totally, but let's hope for the best, safe predictions by scientists and physicians, and it ends soon. In the meantime, please think about your fellow club members, and if you feel so-inclined, please contact those members you know by phone, text, or messenger/Facebook just to say hello, see how they are feeling and coping, ask if they are in need of anything, or just provide words of encouragement. Additionally, continue to pray for those inflicted with the virus, or just ill at home, and ask for a speedy end to this quarantine. To each and every one of you, be good, stay well, and keep in touch.

CLUB-RELATED ANNOUNCEMENT

The Corona Virus (Covid-10) and its associated quarantine period, as you most assuredly know, have necessitated many changes in our lives. Along those lines they have also created havoc with our club, i.e. cancellations of our monthly meetings as well as our AAC and other local car-related events. Discussions with various officers and several members have led to the following decision, rather recommendation, which we feel is in the best interests of the club:

postponed

Since the virus has necessitated the cancellation of meetings in March, April, May and June, the membership did not have the opportunity to nominate and vote on the officers (President, Vice-President, Secretary, and Treasurer) or the Trustees for the 2020-21 year. We concluded, therefore, that the slate of officers and trustees would remain the same for the remainder of the current year and next year until nominations are held next March followed by an election in April. A great recommendation we propose! Finally, we want to take this opportunity to extend a big THANK YOU to those individuals, named on the first page, for agreeing to serve in their so-named capacities and help our club be the best it can be. Again, thank you!

CAR CLUB EVENTS ATTENDED

It is unfortunate that many of the various car shows, cruise-ins, and other car-related events had to be, and continue to be, cancelled because of the Corona Virus quarantine. Yet in the Yellow and Green Regions, several events have been going on.

MILROY CRUISE-INS

The Keystone Muscle Cars Group began holding their weekly cruise-ins at the Londonderry Restaurant parking lot in Milroy beginning Saturday, May 23. Attendance has been quite good, due to the fact that no other local events have really commenced to date. During the first weeks, just as in the past, several Cruizers members and friends have been attending. Here are just a few pictures of those individuals and their vehicles from those cruise-ins.

DUNCANNON CRUISE-IN

On Saturday, June 13, a cruise-in was held, in conjunction with a chicken/rib barbeque and live music, at the Ranch House Restaurant in Duncannon. Despite being quite a hot day, and a continuation of the quarantine period, a number of club members from Mifflin, Juniata and Perry Counties ventured to the event and later cruised to Susquehanna Soft Serve in Liverpool for

some ice cream treats. Since the restaurant was essentially closed indoors, the owners had canopies and tents set up for eating purposes. We propose a good time was had by one and all, and the club picked up a new member in Willard (Butch) Schlusser from Marysville. See his picture with his '48 Ford pickup on the next page. Discussions with the owners and cooks at the establishment centered around Cruizers taking a ride there for a breakfast and/or luncheon get-together. Be sure to check your emails in the event such a cruise is scheduled in the future,

SUNSHINE REPORT

Sally reported that she sent cards to Ron Wagner who had another toe removed due to diabetes, to Barb Beatty who had her appendix removed, to Bill Stuck who had carpal tunnel surgery, and to Byron Olenski who had two cataracts removed. Please keep those four club members, our fellow All-American Cruizers, their family members, and all others who are ill or inflicted with a disease in your thoughts and prayers.
